Dedicated to Improving Swap Meets

To Management of 2011 Super Chevy Show:

First thank you Virginia Motorsports Park, Maple Grove Raceway and Bristol Dragway for letting me help with the swap meets at Super Chevy Show's 30 Year Anniversary.

Personally, having Steve Earwood, President of Rockingham Dragway as a mentor has been a great opportunity for me, seeing that he was there from the very beginning of Super Chevy Show. Virginia Motorsports Park had great swap meet numbers, Maple Grove 700+ race cars...wow! Hospitality at Bristol Dragway was A+.

We are at the second year of a new SCS partnership with new members.

It is my goal to increase attendance at Swap Meets, with some innovative ideas such as:

- Pre-Registration
- Parts Delivery Services
- Trophy for Swap Meet Best Vendor
- Celebrities in Swap Meets
- Karaoke for Kids
- The Box (Harry The Hat Decal purchases for \$1.00 each, all monies for decal sales will be put in a box to be given to a People's Choice Swap Meet Vendor)
- Stage Sale

I will be at the Palm Beach International Raceway for the Super Chevy Show for the season opener and I have also added Texas Motorplex and Rockingham to my 2011 Schedule.

I don't think that it will ever be like it used to be, but I do see a few years left. These are just a few ideas; each track can chose to custom fit their area of the country.

Thanks in advance,

Harry The Hat
